

Meet: Mrs. Zinab

Salam Alykum, my name is Mrs. Zinab Albakri. I am a previous Montessori teacher with a Montessori diploma (NAMC) and 20+ years of teaching experience. I love educating new generations on The Holy Quran and The Arabic language.

I have also taken courses to prepare me to work with special needs kids as it is my passion to teach all children. I am very excited for the upcoming school year and looking forward to meeting you soon!
